1. INTRODUCTION

This document sets out the framework within which bereavement financial support package plan will be given to the demise family from Kono District Development Association United Kingdom (KDDA UK) bank account. This funeral /bereavement policy should retrospectively be incorporated into the charity's constitution under (clause 5) pending review of the 2015 KDDA UK February 2017, when this policy was approved unanimously in a general meeting.

2. POLICY STATEMENT

KDDA UK is committed to providing reasonable baseline lump sum of three hundred pounds sterling (£300) for KDDA UK members, who are in "good standing" to enable them to meet their commitments for funeral arrangements for their deceased loved one. However, the bereavement payment will be balanced against the type of membership/commitment the deceased member had provided towards the charity, as stated in clauses 4, 5 and 7 of this policy. Every year in a general meeting a cap amount for the bereavement payment will be set. This policy will identify the bereavement payment requirements for time of participation and financial contributions towards the charity KDDA UK.

This policy covers payments **ONLY** for an **ACTIVE** member who is in good standing and dies in or outside the United Kingdom, but under no circumstances must this organisation's bereavement payments benefit a non-KDDA UK registered member who died outside or inside the United Kingdom.

According to clause 9 of the 2015 KDDA UK constitution's bylaws, "Member in good standing" is defined as a member who is registered, fully paid up-to-date, attended at least 3 meetings of the charity per year and whose membership has not expired or been terminated or suspended, or whose rights have not been suspended because of misconduct, and who is entitled to vote.

3. RATIONALE FOR THE POLICY

The KDDA UK has been in existence for over three decades, but with no consistent success stories when it comes to direct benefit to its registered membership. Thus, in the events of bereavement the organisation is normally faced with a situation where it is paralysed by indecision. Members questioned why they should continue to commit themselves when they or their families get nothing in return, even in the time of loss? Thus, it is against this background this bereavement payment policy was voted on and approved by the organisation's members on the 25th February 2017.

4. SCOPE OF THE POLICY

This policy will apply to all memberships of the Charity, unless stated to the contrary. KDDA UK has three distinct types of membership and thus different expectations in terms of rewards and support.

This policy was reviewed at a General meeting of the KDDA UK

7 MEMBER'S RESPONSIBILITIES

- 7.1 To ensure that sickness/illness is reported to the organisation following the appropriate procedure and this report should be documented in trustees or general meetings, as failure to do this will affect their bereavement payment benefit and KDDA UK will not be held liable for member's or their families' failure to inform the organisation.
- 7.2 To ensure that the current trustee members are kept informed regarding the risk of potential death of a member.

As per the 2015 KDDA UK constitution membership must be renewed every 2 years with a renewal fee of £10 per person for members. This means that the active member has actively participated in majority of the organisation's functions/activities and they have paid up their monthly subscriptions up to the time of their demise. The Active member's family will receive a cash lump sum (as defined by this policy) and benefit from KDDA UK extensively publicizing the funeral to its members via all media and will encourage members to support and contribute financially directly to the bereaved Active member's family.

- 4.1 **Dormant Member:** This is a registered member but he/she has ceased to pay his/her monthly membership subscriptions more than 6 months to the point of their demise. They usually attend meetings or other functions. The Dormant member will benefit from a good gesture (not obligatory) from KDDA UK by supporting to publicise the funeral arrangements to its members and will encourage members to contribute and support the bereaved family.

4.2 **Associate Member:** This person is not registered but claim membership because he/she comes from Kono District or they are descendant of Kono District or have some connections from Kono District.
